DESCRIPTION

Modern luxury villa currently under construction and that will be part of the architectural landscape of the residential area of ??Altea Hills. The house is distributed on three levels, with access from the upper floor. From that same floor, you can access the entrance hall, which communicates the rest of the levels by stairs and elevator. On the second floor, there are three bedrooms, each with an en-suite bathroom. All bedrooms with direct access to a covered terrace. On this same level, there is a garage with space for several vehicles. On the third floor, there is a large living room with a fully equipped kitchen, as well as a leisure area where you can enjoy the gym and SPA area. From this floor, you reach the outdoor pool area. From all living rooms and terraces there is a beautiful panoramic view of the bay of Altea. This villa is fully equipped with the latest air conditioning, aerothermal, underfloor heating and home automation installations.
