DESCRIPTION

This spacious villa is located in a residential area, in Benidorm. Upon entering the property, you will find an extensive garden with capacity for several vehicles, including a covered parking area (carport). The property, located on the first level, extends over one floor and features an elegant entrance hall, a spacious living room with a cozy fireplace, a dining room with direct access to the pool area, a modern open concept kitchen with utility room, as well as three double bedrooms with fitted wardrobes. The master bedroom has a private access to the pool area, along with an ensuite bathroom and an additional toilet. On this same floor is the pool area, equipped with a spacious terrace and a barbecue area. On the ground floor, the original garage section has been ingeniously converted into a generous suite, equipped with dressing room, bathroom and a games or hobby room. This area is connected to the main house through an internal staircase, but also has a separate entrance, which makes it perfect to use as guest accommodation or to rent.
