DESCRIPTION

Exceptional penthouse on first line to the beach between Altea and Albir with panoramic views to the Mediterranean Sea and the mountains. This is a unique and luxurious design apartment that has recently been fully renovated with exquisite taste and use of high quality materials. The apartment is very bright and open with large windows that can be completely opened. The apartment has automatic awnings and screens (blackout) filter, a complete Sonos TV and sound system, air condition and underfloor heating and a fireplace. The kitchen is fully equipped with Silestone worktop, steam oven, microwave oven, warming drawer, ceramic hob, dishwasher, refrigerator and freezer, all from Bosch and Siemens. Grohe water filter and two wine refrigerators. Large bedroom with a custom made wardrobe and a spacious bathroom. Great location with the beach and a number of bars and restaurants just outside the door.
